**Our Mission** - At Prospectors Historic Pizzeria and Alehouse, we combine both modern and traditional styles of cooking to bring the highest quality, freshest food and drinks to our guests. In addition, we aim to take advantage of the best locally sourced and in-season ingredients available. We strive to provide impeccable, warm, friendly service in a historic and educational atmosphere. We hope that all guests who come through our doors will leave impressed with our food and more knowledgeable about this great state of Alaska, filled with excitement to come back again!

*We make every effort to be a giving member of the Denali Borough and use our restaurant to improve the quality of our local community.*

*Thank You,  
Dave, David, and Jason*
